

# **Dorset Build & Maintenance Company**

**To whom it may concern**

**Dorset Build has had a great deal of success in taking Work Experience students from Dorchester Learning Centre (DLC), 3 of which have gone on to either complete or are currently in apprenticeships, and one other work experience placement.**

**If you have been considering work experience placement and/or an Apprentice in your company or organisation then we highly recommend that you consider a student from DLC – they are superb!**

**Many thanks and Kind Regards**

**Richard Gracie**

**Dorset Build Managing Director.**
