## Statement of intent

Dorchester Learning Centre recognises that certain groups in society can be disadvantaged because of unlawful discrimination they may face due to their race, sex, disability, gender reassignment, marriage or civil partnership, religion or belief, sexual orientation, age, or pregnancy and maternity.

The school has a statutory duty to publish an Equality Information and Objectives Statement. This policy sets out how the school determines its equality objectives.

- Advance equality of opportunity
- Foster good relations

For the purpose of this policy, the Equality Act 2010 will be referred to as 'the Act'. The school fully understands the principles of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equal opportunities. Protected characteristics, under the Act, are as follows:

- Age
- Disability
- Race including colour, nationality, and ethnic or national origin
- Sex
- Gender reassignment

The Act makes it unlawful for the responsible body of a school to discriminate against, harass or victimise a pupil or potential pupil:

- In the way it provides pupils access to any benefit, facility or service.
- By excluding a pupil or subjecting them to any other detriment.

The responsible body for the school is the LA.

The school's liability not to discriminate, harass or victimise does not end when a pupil has left the school, but will apply to subsequent actions connected to the previous relationship between school and pupil, such as the provision of references on former pupils or access to former pupils' communications and activities.

The school will promote equality of opportunity for all staff and job applicants and will work in line with the Staff Equality, Equity, Diversity and Inclusion Policy.

The school will promote equality of opportunity for all staff and job applicants and will work in line with the Staff Equality, Equity, Diversity and Inclusion Policy.

### 3. Equality objectives

The school is committed to promoting the welfare and equality of all its staff, pupils and other members of the school community.

The school sees all members of the school community as of equal value, regardless of any protected characteristic. The school's policies, procedures and activities will not discriminate but must nevertheless take account of differences in life experience, outlook and background, and in the kinds of barriers and disadvantages which people may face in relation to any protected characteristic.

The school's Equality Information and Objectives Statement sets out how the school is meeting the PSED and outlines how equality of opportunity is ensured for all members of the school community. The Equality Information and Objectives Statement is reviewed at least every four years and is published on the school website.

The school aims to engage with and consult with pupils, staff, parents and carers and the local community so we can improve our information, learn the impact of our policies, develop our equality objectives and improve what we do.

The school has established the following objectives:

#### 3.1 Accessible services and partnerships.

Where appropriate we will work with other organisations and local voluntary and community groups to provide teaching and learning and access to employment which promote equal opportunities to all by:

- building on good practice; consulting with and involving our local community;
- providing accessible information and providing ways for people to comment;

- removing barriers which deny people access to our school;
- using our powers to make sure that organisations providing services on our behalf work in line with this statement.

The school promotes an environment which gives:

- all pupils an equal chance to learn and live free of unlawful discrimination and prejudice,
- all staff to work and live free of unlawful discrimination and prejudice;
- take steps to build an inclusive and cohesive school community.

### 3.2 Equal and appropriate treatment in employment, training and recruitment opportunities:

We will put in place a range of actions aimed at tackling prejudice and celebrating diversity within our workforce.

This will be achieved by:

- Developing a workforce which reflects the community at all levels;
- Making sure that all employees understand their responsibilities under this statement;
- Making sure that all employees know about their rights to protection from unlawful discrimination, harassment, bullying or victimisation;
- Developing and promoting policies which give everyone equal access to employment and opportunities;
- Setting performance targets so we can measure our progress.

The school will regularly review the steps being taken and the progress made towards the achievement of these objectives and, in line with the specific duties of the PSED.

## 4. Collecting and using information

In accordance with the requirements outlined in the UK GDPR and Data Protection Act 2018, personal data will be lawfully collected and processed in line with the principles and practices outlined in the Data Protection Policy and only for specified, explicit and legitimate purposes, e.g. to comply with the school's legal obligations.

The school will collect equality information for the purpose of:

- Identifying key issues, e.g. unlawful discrimination in teaching methods.
- Assessing performance, e.g. benchmarking against similar organisations locally or nationally.

- Taking action, e.g. adapting working practice to accommodate the needs of staff who share protected characteristics.

A school work force census is submitted to the DfE yearly.

## 5. Promoting equality

The school's Pupil Equality, Equity, Diversity and Inclusion Policy and Staff Equality, Equity, Diversity and Inclusion Policy set out the school's approach to promoting equality and diversity across the whole school community.

## 6. Addressing prejudice-related incidents

The school is opposed to all forms of prejudice. The school will ensure that pupils and staff are aware of the impact of prejudice. The school will address any incidents immediately and, where appropriate, report them to the LA.

Any reports of bullying and prejudice will be carefully monitored and dealt with accordingly. Annual training will be given to all staff to ensure that they are aware of the process for reporting and following up incidents of prejudice-related bullying.

## 7. Complaints procedures

The school aims to resolve all complaints at the earliest possible stage and is dedicated to continuing to provide the highest quality of education possible throughout the procedure. Any person, including a member of the public, is able to make a complaint about the provision of facilities or services that the school provides.

The school will adhere to the Complaints Procedures Policy to ensure a straightforward, impartial, non-adversarial process, that allows a full and fair investigation, respects confidentiality, and delivers an effective response and appropriate redress. If a complaint has completed the school's process and the complainant remains dissatisfied, they have the right to appeal, as outlined in the Complaints Procedures Policy.

The school will work to develop good professional relationships between colleagues; however, the school understands that sometimes conflicts may arise. Through maintaining open communication, the school wants its employees to feel able to raise any grievances so that appropriate and effective solutions can be put in place. Grievances raised by staff members will be processed in accordance with the school's Grievance Policy.

## 8. Monitoring and review

The Governing Body will review this policy annually, to ensure that all procedures are up-to-date. The policy will be monitored and evaluated by the headteacher and governing board in the following ways:

- Individual attainment data
- Equal opportunities recruitment data
- Equality impact assessments
- Ofsted inspection judgements on equality and diversity

- Incident records related to harassment and bullying

Any changes made to this policy will be communicated to all relevant stakeholders.
